

Online Youth Protection Training Instructions

Required: an updated browser with Flash Player; speakers

If you do not have access to a computer please contact the Camp Director to arrange access to one.

Step 1: Visit: www.Scouting.org/MyScouting

Step 2: Follow on screen instructions; if you have a My Scouting account, sign in (and skip Step 3)... if not click "Create an account".

Step 3: Create an account (if you do not have a current Membership ID card in your possession [most will not], click I am not a Member) complete the sign-up process.

Step 4: From this Screen you might find instructions regarding Youth Protection Training, regardless on the left menu under Training, click E-Learning

Step 5: Under the General tab find Youth Protection Training – click Take Course

Step 6: At the conclusion of the training, print the certificate. (please note, you can print this certificate later if necessary from the E-Learning Course Management page)

Step 7: Turn in to Camp Director a copy of the completed Youth Protection training
