### Youth Leader Training

At fireside chats this winter, many Scouters mentioned a lack of training opportunities for both adults and youth. You spoke, we listened. A new slate of adult leader training to be held in Greenwich will begin this summer and also this summer, something new: Introduction to Youth Leader Training. This will be a weekend long introduction to the patrol method and give a youth leader an idea of how to run his troop. This weekend will also help a Scoutmaster and assistants in their duties, especially guiding their youth leaders. Registration for the IYLT will begin online in May and a troop can send four participants for just \$20, total!
